As indicated, all documents are in English and therefore, no statement of relevance is required. A copy of the Supplemental European Search Report provided by the European Patent Office is also enclosed for the Examiner's convenience.

Also, each item disclosed was cited for the first time in a communication from a foreign patent office, the attached Supplemental European Search Report, less than three months from the date of this Information Disclosure Statement. However, should any fees be required, the Director is hereby authorized to charge the fee to Deposit Account No. 18-2220.

The Examiner is requested to consider the attached documents in connection with the above-identified application, and to return a copy of the Form PTO/SB/08 to the Applicants with the Examiner's initials in the spaces provided.

Submission of this Information Disclosure Statement does not constitute an admission by the Applicants as to the materiality of the attached document to the application, nor do the Applicants waive any right to challenge the validity of the document as prior art should such action be deemed appropriate.
